— HOW IT WORKS —

A group of generous donors wants to help us meet our year-end fundraising goal. This small group has agreed to make a donation to the church of up to **\$140,000**. This means that if we raise \$140,000, the church will receive an additional \$140,000.

Every donation will be **DOUBLED!**

Donations \$5,000 or more will be **TRIPLED!**

NO DONATION IS TOO SMALL! EVERY GIFT COUNTS!

Donations are tax-deductible as allowed by law and must be received by 11:59 p.m., December 31st, 2017.
